SOLUTIONS THAT WORK

United Way takes our foundational elements and puts them in action, hand-in-hand with place-based, grassroots nonprofits, to create uniquely impactful programs. Put simply, we give good ideas a chance.

We believe that real change happens when you amplify those ideas with infrastructure, funding, training and resources so that every vision equals an impact we can all see and feel. Within our community legacy, we've broken systemic barriers and backed these kinds of opportunities.

UNITED NEIGHBORHOODS

We work to change the odds for individuals and families living where the need is greatest, based on data-driven decision making.

SUPPORT IN ACTION

In the first 6 months of 2022, **Rebuilding Together for Greater Charlotte** has helped ensure that **Lakeview** residents have access to safe and quality housing.

The agency served all 17 residents who applied for projects working to ensure safe and quality housing - projects included but were not limited to replacing dilapidated roofs, installing all new HVAC systems and ducting, and rewiring houses.

UNITE CHARLOTTE

We invest in and work together with new and emerging grassroots organizations to build pathways for economic opportunity.

SUPPORT IN ACTION

One of the core components of our **Unite Charlotte** Initiative is offering the **Duke Nonprofit Certificate Program**, a six-week intensive track which aims to strengthen the capacity of our Unite Charlotte Year 1 grassroots agencies in areas essential for nonprofit health and functioning.

After program completion, participants indicated a significant increase in confidence across each area: board management and governance, community engagement and collaboration, financial management, employment law for nonprofits, planning and evaluation, and succession planning.

A HOME FOR ALL

We collaborate with others to support those experiencing homelessness and housing instability with a goal of ending homelessness.

SUPPORT IN ACTION

In 2022, **Mecklenburg County and Charlotte Mecklenburg Housing and Homelessness Strategy Initiative (CMHHS)** announced **United Way** as the local nonprofit lead agency for the **A Home For All** initiative.

United Way is focusing on affordable housing and homelessness with an actionable, phased strategy, working with all stakeholders — public, private, nonprofit and those who have experienced homelessness and housing instability — to stay accountable to a shared vision of ending homelessness and ensuring that everyone has access to affordable housing and the resources to sustain that housing.
